Subject: 2018 Summer Camps—Athletic Trainer Requirements & Compensation

The time has come again to prepare for summer camps. The Sports Medicine Department will again be available to coordinate medical coverage for your camps this summer provided arrangements are made in advance.

The fees for your medical coverage are listed below. If your camp does not fall within the guidelines listed below, please call me to discuss a fee scale.

New this year: For improved safety, you will need at least one athletic trainer per 100 participants. In addition, you must also have at least one athletic trainer per camp site (ie. Sutton and Miller or Spry and Water Tower). Please factor this in when listing number of athletic trainers needed.

Camp directors, please return this form by March 1. Please complete this form even if you do not require athletic training services. If you have specific questions, please do not hesitate to contact me by phone (336) 758-4187 or email caskeylm@wfu.edu.

Table with 2 columns: CAMP DESCRIPTION and SALARY. Rows include Residential Camp (Athletic Trainer stays in dorm...), Residential Camp (no dorm coverage...), Day (3-5 days) Camp, Weekend Camp, One Day Camp, and 1/2 Day Camp.

PLEASE COMPLETE AND RETURN THIS FORM FOR EACH CAMP SESSION
